12th February 2021

Dear Parents/Carers,

Well, another half term completed, I cannot believe we are in the middle of February already!!!

A huge well done to pupils, Parents/Carers and all staff for the fantastic teaching and learning that has been happening this half term with the Thurlton Primary Community. The expectations for learning set by the Government this lockdown have been immense for everyone but as usual the Thurlton Primary Community have risen to and achieved all the challenges set and it has been amazing to see all the exciting learning that has been going on over the past weeks – all credit to you all.

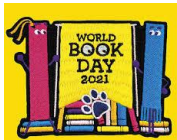

A huge thank you to all the staff for the amazing job they have done too, both in school and online. The dedication to ensuring all pupils at Thurlton Primary have the highest quality of education possible has been evident every day – I am very proud to be a part of Thurlton Primary School.

Thank you all for the lovely snow pictures you sent in – everyone looked like they were having great fun, glad to see the learning was taken outdoors – isn't it amazing what you can learn making a snow sculpture or having snowball fights?

It was lovely to catch up with Badger Class and Hedgehog Class on the **GREET AND CHAT** sessions with myself. Though I am pleased, they are enjoying the Home Learning sessions, I am **REALLY PLEASED** they are all looking forward to coming back to school – we cannot wait to welcome everyone back to learning in school.

Next week is half term – there will be no Home Learning set for next week, please have a good rest, no school work and some fun with the family (work commitments permitting). Remote Learning will be back on line on **Monday 22nd February by 9am.**

WORLD BOOK DAY 4th March 2021. As we will still be in lockdown on that day we have decided to postpone until we are all back in school (more details to follow).

COMIC RELIEF/RED NOSE DAY 19TH MARCH 2021. We will be participating in this event (details to follow closer to the event)

All that remains is for the myself and the staff to once again commend you all for the excellent learning and teaching that has happened this past half term. I have been asked by one Parent/Carer (on receipt of their certificate) **Does that mean we now have to do it all the time? :)**

Though you have all done a fantastic job, 🙌 **NO IT DOESN'T!!!!** Staff are really missing all the pupils and we want them all back learning in school as soon as is safely possible.

Thank you for your continued support to the school, have a restful half term and remember my door is always open, even if only virtually.

Mrs Hambley
