23rd February 2021

Dear Parents/Carers,

I hope you all had a good half term and enjoyed a well-deserved break from Home Learning and that you all remain and safe and well.

I am sure that you are now all aware that all pupils will be returning to school on the **8th March 2021**. I am sure that many of you have concerns and reservations about this return to school but I would like to reiterate to you all that pupil, staff and the entire school community's health, safety and mental well-being is paramount to everything we do at Thurlton Primary School.

Staff are really missing all the pupils and we want them all back learning in school.

I am sure you are all anxious to know the measures and safety procedures that will be in place once we welcome back your child/ren to school on the **8th March**. We are currently reviewing our Risk Assessments and I will inform you by **Monday 1st March** of what will be in place to ensure the safety and well-being of your child/ren when they return school.

Thank you for your continued support to the school, remember my door is always open, even if only virtually.

Take care and stay safe

Mrs Hambley
