Thurlton Primary School is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all.

We will endeavor to provide an environment where all pupils feel valued and welcome.

For a child to reach their full educational achievement a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their Parents/Carers the importance of regular and punctual attendance.

School attendance is subject to various Education laws and this school attendance policy is written to reflect these laws and the guidance produced by the Department for Children, Families and Schools.

Each year the school will examine its attendance figures and set attendance/absence targets. These will reflect national targets.

The school will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

This policy will contain within it the procedures that the school will use to meet its attendance targets.

School Procedures

Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity [attendance out of school]. Only the Headteacher or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unauthorised.

Lateness

Morning registration will take place at the start of school at 9 am. The registers will remain open for 10 minutes. Any pupil arriving after this time will be marked as having an unauthorised absence unless there is an acceptable explanation i.e. school transport was delayed. In cases for example, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered.

The afternoon registration will be at 1 PM.
The registers will close at 1.10 PM.

Pupils arriving after the start of school but before the end of the registration period will be treated for statistical purposes, as present, but will be coded as late before registers close.

First Day Absence

Parents are expected to contact the school to inform the school of the absence. There is an Absence Log in the School Office which is completed as Parent/Carers ring in. The secretary will text or phone the Parents/Carer of any absent child if they have not contacted us by 9am. If no message or response is received, the child is marked absent and the register coded a ***No reason given***. Any unexplained absence by any pupil on the second day will be followed up by a phone call from the school. Absences without explanation will then be marked as ***Unauthorised***.

To ensure the safety of ***ALL*** pupils if we can obtain no response from Parents/Carers we will text/phone all other contacts we have on file until we can confirm a reason for absence.

If your child will be walking to school independently, to school or home from school, please inform the Office. Thurlton Primary is committed to safeguarding all the pupils in our care. In the unlikely event of a child who is independently walking to school not attending morning registration we will ring the given contact and emergency numbers. I am sure you will appreciate therefore the necessity of these calls being made to check your child/rens whereabouts should they not be in school by 9.10am. If we are not successful in receiving a response the next step will be to ring the police to report a missing child. This would ensure that the appropriate and immediate action is taken to promote the safety of the child.

Third Day and Continuing Absence

If there has still been no contact from Parents/Carers the Secretary will telephone again and enquire about the absence. If contact cannot be made, a standard letter is sent asking Parents/Carers to contact the school. The school will endeavour to make contact over the period between 3 and 10 days. For ALL pupils the Headteacher will be immediately informed and they will endeavour to make contact via other known agencies.

Ten Day's Absence

Any pupil who is absent without an explanation for 10 consecutive days will be notified to the Local Authority, by submitting a referral to the Children's Services Attendance Team. The school will include details of the action that they have taken.

Frequent Absence

It is the responsibility of the secretary and class teachers to be aware of and bring attention to, any emerging attendance concerns.

In cases where a pupil begins to develop a pattern of absences, the school will try to resolve the problem with the Parent/Carer/s. If this is unsuccessful the school will refer to the School Health Adviser if the problem appears to be a medical one. In other cases the school will seek advice from the school's Attendance Improvement Officer (AIO). The Headteacher monitors at least half termly to agree any actions and reports on Attendance and absence to the Resources Committee and the Full Governing Body. The Headteacher will contact the Attendance Improvement Officer with any emerging concerns that cannot be dealt with internally. The school operates the Fast Track Attendance Review system.

Legal Intervention and the use of Fixed Penalty Notices

In line with the Local Authority, Thurlton Primary operates a system where any pupil who has an attendance of 85% or less, with at least 15% unauthorised absence over a 6 week period or 10 consecutive sessions unauthorised absence, will meet the criteria for legal intervention which could be in the form of a Fixed Penalty Notice. A letter informing Parents/Carers will be issued annually.

A Welcome Back

It is important that on return from an absence that all pupils are made to feel welcome. This should include ensuring that the pupil is helped to catch up on missed work and brought up to date on any information that has been passed to the other pupils.

Absence notes/ records of telephone calls

Notes or information received from Parents/Carers explaining absence should be kept for the remainder of the academic year. If there are attendance concerns about the pupil, that may require further investigation, then the notes may need to be retained for a longer period. Reasons for absences are logged in the school management system.

Promoting attendance

The school will use opportunities as they arise to remind Parents/Carers, that it is their responsibility to ensure that their children receive their education. This will be achieved through regular assemblies and incentives such as certificates and good role models from adults within the school. Additional support will be sought from the Attendance Team whenever necessary to promote good attendance.

The school will reward pupils who have good or improving attendance. Those who have an attendance of 100% for each half term and full term receive certificates.

Regular reminders about punctuality and attendance are placed in the school newsletter.

The Governing Body has adopted the Fast Track Attendance Scheme. This includes a tiered system of letters to raise Parent/Carer awareness when a child's attendance may be giving cause for concern (when it falls below 96% over a period of time).

Notification of Leave of Absence in term time

Parents/Carers are required to complete a notification form which makes the consequences of unauthorised absence clear.

The ***Education (pupil registration) (England) (amendment) regulations 2013***, which came into force on 1 September 2013, removed references to family holidays and extended leave as well as the notional threshold of ten school days. The amendments made clear that Headteachers may not grant any

leave of absence during term time unless **exceptional circumstances** exist. Following the principles of the NAHT we consider **exceptional** as **rare, significant, unavoidable and short**.

Attendance Targets

The school sets attendance targets each year. A system for analysing performance towards the targets has been established and the Headteacher is responsible for overseeing this work.

Our school target is: 2018/2019: 98%

The registration system

Registers by law must be kept for at least 3 years. Computer registers must be printed out at least once a month and bound into annual volumes.

Alternatively electronic back-ups or micro-fiche copies may be made. These also need preserving for at least three years.
