

This is a cross curricular topic encompassing all areas of the Early Years Foundation Stage and the Year One Curriculum.

UW/ HISTORY and GEOGRAPHY:

We will be learning about the development of houses throughout the ages. We will look at the features of olden day and modern day houses.

What special features does your house have?

EAD/ DESIGN TECHNOLOGY:

We will be exploring a variety of media to create different houses. We will be using lolly sticks to make a picture frame.

We will also be making 3D houses from junk modelling.

Can you make a model of your own house?

CLL/ LITERACY: We will be learning about lots of different stories linked to Houses and Homes including 'Mrs Mole I'm Home' by Jarvis. We will also be exploring the traditional fairy tale of 'The Three Little Pigs'. We will be retelling the story using both drama and story frames. We will be working very hard to improve our handwriting and letter formation.

In NUMERACY

We will be learning how to count reliably. We will also be exploring 2D shapes. We will make house pictures using different shapes. We will also be using mathematical language to describe the different shapes.

Can you spot different shapes on your way to school?

Houses and Homes (Yr R/1 – Autumn Term 2018)

The role play will be a Home Corner.

Music:

We will be learning lots of songs about Houses and Homes. One is called 'We're going to build a house'. We will be using lots of actions. We will also be using musical instruments to accompany our singing.

Can you find a song about Houses and Homes?

UW/ SCIENCE:

We will be learning about the different materials that are used to build houses. We will be thinking about which is the best material to use for the different parts of a house. We will be spotting materials used on different houses.

What materials have been used to build your house?

Please remember to complete Homework, Spelling and Sentence/Word Books. *Thank you for your continued support.*
