Dear Parents/Carers,

Another busy start to the half term: The Hand Chimes Lunchtime Club is fully booked as is the After School Craft Club, there is 1 space left in the Tag Rugby After School Club - if anyone would like to take up the place please speak to the Office.

Year 6 had a fantastic day at Hobart High last Thursday at the Forensic Science Day and again one of the favourite activities was testing the urine!!!! We have 6 budding detectives, they all solved the case and identified the culprit. As you can imagine the pupils did the school proud with their exemplary behaviour and manners throughout the day.

The pupils who attended the Cluster Tag Rugby yesterday had a fantastic time – thank you to Mrs Bullen for transporting the pupils to the event.

### **WORLD BOOK DAY - Thursday 5<sup>th</sup> March**

A reminder we are participating in this event and encouraging pupils and staff to come into school dressed as their favourite book character.

There will be no World Book Day lunch unfortunately – normal menu for that day.

It is with regret that I have to inform you that Miss Waring will be leaving Thurlton Primary on the 7<sup>th</sup> May. She has accepted a job in an alternative setting where she will be pursuing her interest in Special Educational Needs.

I have been exploring several options regarding staffing of Badger Class for the remainder of this academic year and for next year. Please be assured that as always my main priority is ensuring the best education for our pupils. I will be holding a meeting on **Tuesday 10<sup>th</sup> March at 3.20pm** in the hall to discuss the options being considered and I look forward to seeing as many of you there as possible. To set everyone's mind at rest, the school will be retaining at least three classes.

**SOCIAL MEDIA** If you have an issue with anything happening in school please come in and speak to either the class teacher or myself before posting on Face Book/Social media - there have been posting on Face Book recently which have not been factually accurate.

May I also remind Parents/Carers to exit the building via their child's classroom door not via the main entrance door; there is potentially a safeguarding issue with people walking through the school. If you need to speak to the Office, please walk round to the main front door and not through the school – Thank you for your support in this matter.
