22nd May 2020

Dear Parents/ Carers,

Well, we have all survived a half term of Home Learning and lockdown – well done to you all, the work that continues to come through on emails is amazing, keep looking on the website for pictures of some of the fantastic activities that have been going on around the village.

The rainbow fence is slowly growing but it would be lovely to see the different coloured sections full with colour – let us see if by the end of half term it can be totally covered.

HALF TERM

Next week is half term so there will be no Home Learning plans on the website, you have all worked hard so take the time to relax and re-charge hopefully in the sunshine.

The topic for the Summer 2nd half term is Egyptians, ideas and Home Learning will be on the website on Monday 1st June.

REMINDERS

Report slips – We hope you all found the reports informative, if you have yet to return the report slip please could you do so as soon as possible, either writing your comments via email or post the return slip into the red box if you are passing during your daily exercise. This is our record that you have received the report – thank you.

Contact – As a staff we are very concerned about the welfare of all our families and we would be grateful if you could respond to the texts sent so that we know that you are all safe and well. There are some families that we are struggling to contact and we would like to know you are safe and well. Thank you to those families who respond and contact us on a regular basis with updates and work.

As many of you know schools are potentially re-opening to certain year groups (Reception, Year 1, Year 6 and pupils of Critical Care workers) on Monday 1st June. Following guidelines, the school will be ready to accept pupils from those years from Tuesday 2nd June. Initially we will be opening for reduced hours on certain days and I have been in contact with those Parents/Carers who have requested a place for their child/ren. If have declined a place (currently this will have no effect on attendance figures and no fines will be imposed) and if at any point in the future you change your mind please do not hesitate to contact me. School will look very different and teaching will be very different prior to schools closing on the 20th March but please be assured that all Government guidelines have been followed and an extensive Risk Assessment has been undertaken and measures put into place to ensure the safety and well-being of both pupils and staff.

All that remains is for me to wish you a very happy half term and thank you for your continued support to the school and remember my door is always open – even if only via email or telephone now.

Take care and stay safe

Mrs Hambley
