

Use and punctuate direct speech

Can you take the sentence from the speech bubble and turn it into direct speech?
You need to add inverted commas (“ ”) and **said**, then the **speaker's name**. Look at this example:

Shaun

Happy birthday!

“Happy Birthday!” **said Shaun.**

 <p>Are you okay?</p>	 <p>We're best friends.</p>	 <p>Football is my favourite sport.</p>	 <p>Yay, we won the match!</p>	 <p>Go and tidy your room!</p>

 <p>Do you like my ribbon?</p>	 <p>I think we're lost!</p>	 <p>Gosh, I'm so hot!</p>	 <p>What would you like for tea?</p>	<p>Challenge: Now make up one of your own!</p>
