

Weekly update
28th June 2024

What amazing weather we have had this week! It has been great to be able to spend so much time outside in the sunshine and for the children to be able to eat their packed lunches in the shady areas of our school field.

Thank you for ensuring they have come to school prepared with suncream and hats. Let's hope the weather holds for the week ahead while Badgers are on their residential. Mrs Chamberlain, Mrs Stone and Mrs Balado will all be enjoying archery, kayaking and range of other activities with the children from Monday to Wednesday. Log onto our Facebook page for a run down of what we get up to.

With luck the sun will remain shining for the PFA on **Saturday 6th July** as they hold our **Summer Fayre**. Thank you for the donations you have supplied and please do come and support the team to raise money for those additional extras such as our enhanced outdoor classroom, books for a revamped library and the travel costs for the trips we go on.

The **annual school reports** will be going to parents on **Thursday 4th July**...an even more important event than the general election! Reports will be handed to the adult collecting your child. If you are unable to collect in person, please let Mrs Payne know whether you will be collecting it from the school office on Friday or whether you would like to nominate an adult to collect it on your behalf. We will not be handing the reports to the children to take home. On the following **Wednesday 10th from 3.15-5pm** we have our **open classrooms** for you to come and look at the children's work.

We hope you have a lovely weekend.
