Weekly update

10th January 2025

Welcome to Thurlton 2025!

It always takes a while to get used to typing a new year for the date and 2025 seems almost futuristic to those of us born in a previous century!

We have had a frosty, chilly start to the term and due to the changeable weather patterns and possible icy conditions, we have made the decision to open classroom doors at 8.40am in order to allow the children to come straight into the classroom, rather than lining up on the playground.

A member of your child’s class team will be on the door to welcome them and to take any messages should you need to hand over information. However, if you do need to speak at length to the class teacher or let them know any information, you can always go to the office and speak to Mrs Payne who will ensure messages are passed on.

Please remember that the office is unmanned after 12.15pm and we may not be able to take your calls or messages.

In the event of an emergency, you can phone Hobart High School (01508 520359) and the office staff there will pass on messages to us.

Just a reminder that all children will be doing Forest Schools every Friday, whatever the weather. A flyer with information was sent to you yesterday. Please do ensure your child has warm clothes that can get dirty. A change of clothes would also be wise. This can be their school uniform.

Thank you for your continued support and we all wish you a very happy new year and a happy 2025.

Mrs Balado and the Thurlton team.

In our celebration assembly today the following children were celebrated:
