Weekly update

24th January 2025

Dear Parents and Carers

It is that time of year when we all start to feel a bit under the weather and coughs and colds hit us.

The children are doing brilliantly, and we are so pleased that most are coming to school and working hard, despite not always feeling 100%.

Do remember that we are happy to administer medication if it helps to keep the children in school. This must be given in to the office and a consent form completed.

Please also note that **we do not allow lip balm, throat sweets, herbal medications etc in school** either, unless these are handed to an adult for administration. If your child does need any of the above, please make sure this is handed in to the class teacher or the office and we will support your child to administer at key intervals throughout the day.

Thank you for your support with this.
