## Weekly update

20<sup>th</sup> June 2025

What a fabulous week we have had with the sun and good weather!

On Wednesday we had a run through of our sports day activities. We are all very excited about the main event on Monday! Family and friends will follow their children between activities, but please could you make sure enough space is given for the children to complete the activities safely. We love seeing younger family members at these events as well, but again, please could you keep any little ones with you at all times. We do not want anyone to get accidentally hurt by being knocked over during an activity.

Thank you for your support with this.

Of course, we will be having races at the end, so if you would like to take part, do remember to wear your running shoes!

Also- remember to bring your picnics and picnic blankets with you. If you would like to take the children home afterwards, please make sure they have been registered out with Mrs Balado (who will be standing by the gate with the class lists).

The PFA will be serving tea and coffees at points during the morning, but will also want to spend some time watching their own children, of course.

*And one last plea....please, please, please make sure your child comes to school with **suncream** liberally applied before they arrive. The children will also need a **sunhat/ cap** and a **water bottle** as the weather is still forecast to be warm and sunny.*

We are really looking forward to seeing you.

### Staffing:

Between now and the end of term, you are likely to see some staffing changes.

Hedgehogs class will be spending some time with Mrs Cott and Mrs Foster, as well as with Miss Hill and Miss Ellis; and Badgers will have some days with Miss Busby. We are really looking forward to being able to spend more time with these ladies before they start in their formal roles in September.

Have a lovely weekend and we will see you next week.

Best wishes

Jess Balado and the Thurlton Team
