Weekly update

4th July 2025

Can we please remind you that sunscreen should be applied before coming to school when needed. We can support children to reapply, if necessary, but they will need to do this themselves. Please also ensure that they bring in a water bottle each day. This should preferably be filled with water. We do not allow any fizzy drinks or energy drinks.

Can I draw your attention to the **open evening for parents on 14th July**. School reports will be going out the week before; this after school drop-in session is designed as a time for you to come and celebrate your child's work. You will be able to look through their books and talk about the work done with your child. Class teachers will be in their classrooms for an informal chat but should you need to arrange a more formal meeting, please arrange this through the school office in the normal way.

Have a lovely weekend

Jess Balado and the Thurlton team
